DFARS COMPLIANCE STATEMENT

(Defense Federal Acquisition Regulation)

Accurate Screw Machine Corporation certifies that we are in compliance with DFARS Regulation 252.225-7014, with Alt 1, preference for domestic specialty metals. The specialty metal was produced from material that was melted in the United States, its outlying areas, or a qualifying country listed in DFARS 225.872-1 of the Defense Federal Acquisition Regulation Supplement.

As specified by the DFARS Clause 252.225-7014 the metals used by Accurate Screw Machine are classified as follows:

| <u>Metal</u> | <u>Compliant</u> |
|-----------------|------------------|
| Stainless Steel | Yes |
| Steel | Yes |
| Aluminum | Exempt |
| Brass | Exempt |
